

2021 Troop 48

Klondike Derby Update

Friday 202102121200

New Events

1. **Knot tying relay:** (see book for knots at least 5) All sled members should know.
2. **Kim's game:** See a complex scene for x time...write from recall as many correct items for points.

Saturday Breakfast

There will be a need to have youth ready to go and be "Inspected" at 0800. Patrol supporting adult leaders should provide meal coverage (cooking/cleaning).

Saturday Lunch

- NOW only 45 minutes and will be **LUNCH IN PLACE.**
- ALL will need to have DURABLE (won't freeze or spoil) lunch (ON YOUR PERSON/SLED)
- The afternoon session begins promptly afterwards so bathroom use is encouraged during this time.

Saturday Dinner

- The events of the day should end @ 5:30 PM. I strongly advise that adults supporting patrols should plan for a meal that can be delayed for as much as an hour. (Think stew/chili/soup etc.)
