IV. Trip Description

The plan at this point is to meet at the church (CHPC) at 8am on Thursday morning, 1APR2021, to depart for backbone rock. Once we arrive at backbone rock, the venture crew will need to find something to do while we set up. Don't worry, they can still haul up all the gear for us! We'll set up the big rappel and big climb and wear everyone out for a full day. Everyone should bring plenty of water, a sack lunch, and money for dinner as a drive through or take out option on the ride home.
