VI.Trip Description

Outing includes overnight camping at CDC Friday and Saturday nights; Friday night is optional. Both are in the Black Bear campsite under CDC COVID protocols (2 max per cabin room / 1 per tent) unless you are family, thus only 28 cabin spots and 4 Adirondack. We will make final judgments based on signups. Be prepared to have a tent and gear based on final arrangements. There is an expectation that we will ONLY BE IN BLACK BEAR, and other units are going to be elsewhere (Grizzly Bear). To promote the varied experiences and maximum flexibility to participation WE ARE NOT PERFORMING PATROL COOKING. All meals are to be brought/prepared by yourself or arranged via the registration to be eaten at the cafeteria.

We will hold a campfire on Friday night, practice our prepared 2021 Jamboree Campfire Skit (TBD). Provided access we will offer a movie (TBD) (*BYOS*) to be shown @ the dining hall porch following.

Saturday, there may be scheduled flag ceremonies, be prepared with Class A Uniform. There will be a full day of events (please see council website for latest offerings). Saturday evening there will be a Massive Council Campfire, Speaker, and concert. We will join in a planned church service or lead one on Sunday morning.
