Summer vacation is almost over. Have you see seen all of your scout friends recently? Patrol leaders and assistants make time to reach out to your missing members tonight (call them). Scouts are friendly so the call will be easy. Invite them to return and tell them of our upcoming events. Fill out the communication form and return it to Mr. Gould.

Event planning

- **August 3:** Immediately following the opening (before we break up to patrol rooms) all participants going to DTR must be present in the gym for the Safety Afloat Plan Briefing.

At 8 PM on 7/27 in the gym Melinda Cannon will hold a 20-minute class covering Second Class Requirement #9a. “discuss with a selected individual approved by your leader the constitutional rights and obligations of a U.S. citizen.”

At 8 PM on a future date in the gym Mr. John White will hold a 30-minute class covering Second Class Requirement #7c. This should be a WELL ATTENDED class as there are over 30 youth still needing this.
