Trip includes cabin camping in Black Bear campsite. Cabins are large, two rooms with doors, wood frame double-bunk beds with mattresses, but no pillows or bedding. Some tents on wood platforms may be available. They are open bottom, no mosquito netting. We will camp in the Black Bear campsites.

Every day will be full of activities beginning with wake-up at 6:30 A.M. (unless you are participating in the **Up With the Sun Fun Run** and or the **Polar Bear Swim**) and ending with taps at 11:00 P.M. Many merit badges (MB's) are offered in classes. Special instruction ("Eagle Bound") is given for Tenderfoot, 2nd Class, and 1st Class ranks. Popular activities include swimming, boating, rifle and shotgun shooting, archery, handicraft MB's, scout skill MB's, natural science MB's, and BSA Lifeguard and COPE for older scouts. Toting (Totin') Chip instruction (knife, saw, and axe) will be offered by T48 leaders. All meals will be in dining hall beginning with Sunday supper and ending with Saturday breakfast. Church services are usually offered Sun. and Wed. evenings.

We will plan for a Wednesday campfire flag retirement where family are welcome to attend. Any guests coming to camp will need to submit a COVID-19 check or wait to have one administered. Guests may begin to arrive @ 7:30 PM and we should aim to begin our campfire program around 8:15 PM. Friday guests are welcome to eat dinner at the dining hall provided that they have registered @ the Sequoyah Council and paid individually.
