V. Trip Description

The Shooting Fair is designed to give instruction in the safe and proper use of archery equipment, .22 rifles, and 20-gauge shotguns. This instruction and experience will allow the Scouts to make progress toward the Rifle and Archery merit badges. All adults and teenage siblings are welcome to participate in shooting and other activities. The range time on Saturday is divided up amongst the all 3 ranges (Archery, Rifle, Shotgun) for reasonably sized groups to participate in the inter-patrol shooting competition. Patrol leaders must have their groups at the designated areas in a timely fashion. **There will be some down time where each group will need to be able to occupy themselves without distraction to the ongoing range activities (prep time for skits is strongly advised, or bring a field activity game (football, frisbee)).**

Following Saturday's activities, a feast is planned for and to be executed by the Leadership Corps for Saturday dinner. The feast will to be held at the HQ building. Patrols will prepare their desserts to share with the feast crowd. Following the feast, 2022 Patrol Experiences will be shared. We will have a formal Troop 48 style (patrols bring your prepared skits and songs) campfire at HQ.

We will camp out on Saturday night in the Black Bear Campsites under. A formal (Winter Rules) Troop 48 church service will be held at the CDC chapel on Sunday followed by firearm demos and more opportunities to shoot.
