IV. Trip Description:

To avoid any travel issues, we will depart the day prior to check-in at Sea Base and stay our 1st night in Florida. Sea Base check-in is between 1:00-3:00pm. After check-in, we have a swim and snorkel review. According to the time we board the boat, we will either sleep on the boat at Sea Base, or may start our adventure and sleep on the boat at sea. On the prior trip, we stayed this night in the dorms at Sea Base and boarded the boat the following morning. We will be sailing, fishing, snorkeling, sleeping, and eating on the boat. We will arrive back at Sea Base on the afternoon prior to departure and will stay the night in a dorm at Sea Base. On the departure morning, we will have breakfast at Sea Base and depart no later than 10:00 am.
