VI. Trip Description

Outing includes overnight camping at Camp Davy Crockett Friday and Saturday night; Friday night is optional. If arriving Saturday, check-in is from 7:00 – 8:00 AM. We will camp in Black Bear campsites. Cooking and cleanup will be offered to be done by T48 adults for Saturday breakfast to promote maximum event participation (patrol choice). Klondike event staff will operate appointed areas. Patrol activities will include camporee-like participation and competition in a variety of Scout skill events (see handouts). Dinner on Saturday will be provided in the dining hall and a campfire. A campfire and awards ceremony will be held from 7:30 – 9:30 PM on Saturday. On Sunday there will be a Klondike Church Service in the Chapel from 9:30 – 10:00 AM. Checkout will be by 12:00.

(Troop 48 already has 6 sleds). During Shooting Sports, sleds will be left in the parking lot at the Handicraft Shelter for inspection. An inspection sheet will be left on the sled and missing items can be added. The Sled Race will be included in the station rotation. Patrols will run the length of the track in a designated lane. Each patrol will be timed, and they will be given opportunities to run the track more than once in order to post their own best time. The other events will consist of Shooting Sports, First Aid/Search and Rescue, Fire building, Wilderness Survival, and a Service Project. Patrols should practice basic scout skills in these areas. Morning events begin at 9:00 A.M. Saturday. Afternoon events will run from 1:30 – 4:30 PM> Events will be spread out throughout Camp Davy Crockett. Be prepared to move and to wait.

Scoring will be based on how well each patrol works using the patrol method and teamwork to complete the activity. Gold nuggets will be awarded based on the criteria set up by the leaders at each activity. Bonus gold nuggets may be awarded by event planning staff for outstanding scout spirit by individual scouts or patrols.
