

## SERVING OUR COMMUNITY TOGETHER

### Popcorn for a Purpose

This delicious bag of popcorn helps kids find adventure, build character, and embrace self-reliance. How does it do that? Through the annual popcorn fundraiser, Scouts in the Sequoyah Council are putting in the hard work to earn their own way to adventure and a bright future. This year, the Sequoyah Council has partnered with Patriot Popcorn to help Scouts achieve their goals while supporting a local, veteran owned business. 100% of the proceeds stay in our region and more than 50% fuel the local Scouting program.
