Randy's award-winning smoked pork is amazing. It is amazingly delicious right out of the smoker while it is still warm. Buy extra and freeze it for future meals. The pulled pork served later is mouthwatering, melt in your mouth, delicious. Think the meat is too pricey? Check the price of pulled pork at any of the local BBQ Restaurants. It will run \$17/lb. or more. This is really a great deal.

Butts will be available for Pickup on Saturday, October 19th, around noon, just in time for that tailgate party or family gathering!! You will also be helping a scout pay for the New York City Trip!
