V. Trip Description

Trip consists of backpack-style tent camping on an island (sometimes) in Cherokee Lake, about 3 miles from Camp Davy Crockett. All gear, except for patrol water jugs, needs to be in backpacks (no coolers). Meals will be prepared by ad hoc food groups from their pre-planned menus. Will use cooking fires and/or backpacking stoves. Activities include water skiing, extra canoeing, swimming with life jackets and shoes, gravity assisted descending from "Dick Tracy Rock," arrowhead hunting, fishing, a formal Troop 48 style campfire, and church service. Will leave the island around 1:30pm Sunday**. If we should have thunderstorm activity that limits canoeing activities, we have reserved Grey Squirrel Campsite for Saturday night.**
