V. Trip Description

Outing includes overnight camping at CHPC Friday and Saturday night. The evening activities are opportunities for fellowship and advancement. Patrols should aim to show off their cooking prowess. There will be the 1 bathroom available in the building. Saturday and Sunday morning provide the camping groups with a second opportunity to demonstrate cooking prowess for breakfast. Other patrol meals will be provided during the weekend. A campfire will be kept burning continuously Friday – Sunday.

Skills competition is a fun Klondike derby type series of games and exercises. Each sled group going to the Klondike Derby should aim to attend, even if they are NOT camping over this continuous campfire event.

There will be a campfire and movie following dinner cleanup each night.

Donated food items will supply the CHPC pantry and Second Harvest Food Bank.
